

What is OneDrive?

OneDrive is a file hosting service that lets you back up your files and share documents with your classmates, other students, teachers and/or other TAFE NSW team members.

Accessing OneDrive

To access your OneDrive, follow the below steps:

Step	Screenshot
1. Go to my.tafensw.edu.au and enter your User ID and password, then click on the Log in button.	
2. Select the Email, O365 & Teams Icon in the Resource and Information Links Panel.	
3. Select the OneDrive Icon	

For more information

The [TAFE NSW internet](#) has many checklists and guides that can help you with other technical issues, such as accessing your [student and learner portal](#), [installing office](#) or navigating your [TAFE NSW Office 365 account](#).

If you are experiencing difficulties with accessing your TAFE NSW One Drive, please –

- call the TAFE NSW Student Technology Service Desk on 131601 and follow the prompts; or
- lodge an enquiry using the [Get Technology Help Form](#).

Students who may be deaf or hard of hearing, can also seek assistance through the [National Relay Service](#)
